

NC Well Contractors Certification Exam Reference Materials

The exam will test you on your knowledge of the information in the following references, which were used in the preparation of exam questions:

A. Publications related to the technical aspects of well construction methods, materials and equipment and of characteristics of ground water-bearing formations. If you wish to obtain copies of these publications, they may be purchased from the following source - by mail from the National Ground Water Association, 601 Dempsey Road, Westerville, Ohio 43018; by phone from the NGWA Book Store at **1-800-551-7379**, by Fax # 617/898-7786; or online through the Internet at www.ngwa.org. (These references are also available in many libraries and from other bookstores.)

1. **Groundwater & Wells, Third Edition**, by Robert J. Sterrett (Levels A & B only)
2. **Manual of Water Well Construction Practices, 2nd Edition**, by National Ground Water Association

B. State Laws and rules applicable to the well contractor certification program and location, construction, repair, alteration and abandonment of wells. (*Note: Copies of these documents are enclosed with your approval letter*)

1. **Title 15A NCAC 2C .0100**- NC Well Construction Standards: Criteria & Standards Applicable to Water Supply and Certain Other Wells (revised October 1, 2009);
2. **Title 15A NCAC 2C.0200**- NC Well Construction Standards: Criteria & Standards Applicable to Injection Wells (revised February 1, 1997); (Levels A, B, & C only)
3. **Title 15A NCAC 2C.0300**- Permitting & Inspection of Private Drinking Water Wells;
4. **NC General Statute G.S. 87-83 through 87-98.13**- North Carolina Well Construction Act; and
5. **Title 15A NCAC 27**- NC Well Contractor Certification Rules (revised May 1, 2008).

Additional Notes:

- At the time of the examination you will be required to present your admission ticket and photographic identification of yourself.
- Only the above references may be brought into the exam site. Older versions may not be used. You may also bring a calculator (mobile phones must be **off** during the exam).
- The passing grade for the exam is set at 70%
- You will be mailed the results (Pass/Fail).
